

Contoh-contoh ELearning

NOTA

The screenshot shows the i-Folio interface. At the top, there's the Universiti Kebangsaan Malaysia logo and the text 'i-Folio' with the tagline 'Engaging Learning & Teaching'. Below this is a Google Drive interface showing files like 'TUGASAN 2', 'ACME TECH', and 'MATH DISCRETE...'. A video player window is open, showing a teacher in a classroom with the video title 'your turn!'. Below the video player, there's a poll with three questions:

1. Was the message correct? Yes No
2. Was the message balanced? Yes No
3. Did body language support the message? Yes No

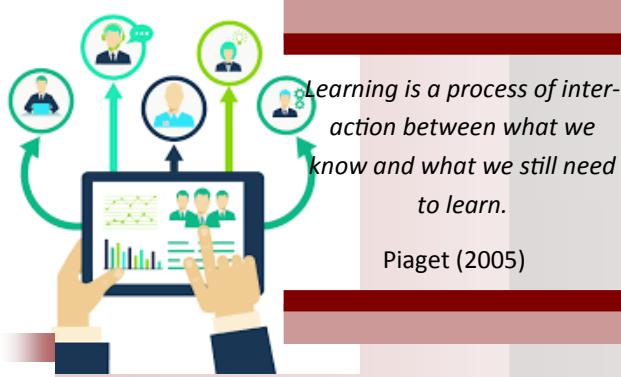

At the bottom right of the slide, there's a small icon of a graduation cap.

Learning is a process of interaction between what we know and what we still need to learn.

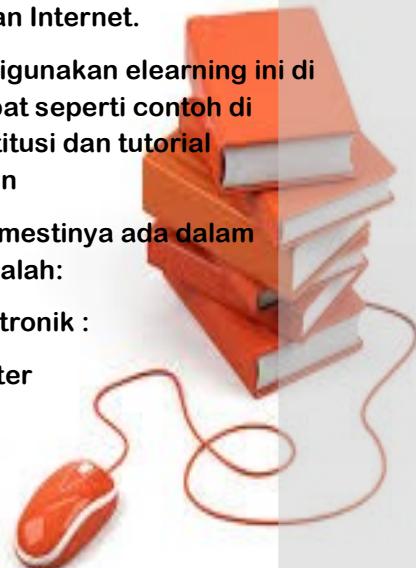

Piaget (2005)

Elearning adalah satu pembelajaran yang dijalankan melalui media elektronik yang kebiasanya menggunakan Internet.

Sering kali digunakan elearning ini di mana tempat seperti contoh di sekolah, institusi dan tutorial pembelajaran

Alat yang semestinya ada dalam elearning adalah:

1. Alat elektronik :
 - komputer
2. Internet

"E-learning adalah berdasarkan keupayaan dan pembinaan dalam menghasilkan tugas-tugas yang sahih, dan percaya dengan menggunakan media -media yang berbeza boleh menghasilkan pertambangan dalam tugas seperti buku -buku, tayangan filem dan video "
